

Salt Lake City Runway Safety Team Meeting

The Salt Lake City Air Traffic Control management team with the assistance of Salt Lake City Air Traffic Control will discuss and document potential issues and concerns regarding Runway Safety at SLC. Anyone involved with SLC surface operations is invited to attend.

Directions: Access to the Kibbie Executive building is on the east side (General Aviation) of the Salt Lake International Airport. The entrance road to the Kibbie Executive terminal is located at 340 North 2400 West on the west side of the road. There is public parking northwest of the Kibbie building. Enter the Executive terminal, the meeting room is directly to the right of the main entrance.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
